Johannesburg, South Africa

PROFILE

Nutritionist with foundational training in nutrition assessment, meal planning, and dietary education. Interested in supporting community and clinical nutrition programs through evidence-based guidance and clear documentation.

EXPERIENCE

Nutrition Intern

HealthyLife Centre | Johannesburg, South Africa | Jun 2025 - Present

Assisted with basic nutrition assessments under supervision. Supported meal planning and dietary recommendations. Maintained client records and appointment notes

Community Nutrition Assistant

Urban Health Program | Johannesburg, South Africa | Jul 2024 - May 2025

Supported nutrition education activities in community settings. Assisted with data collection for program tracking. Helped prepare educational materials for workshops.

EDUCATION

B.Sc. Nutrition and Dietetics

School of Health Sciences, Johannesburg, South Africa | 2022 - 2026

PROJECT

Community Meal Planning Exercise | Mar 2024

Assisted in developing simple meal plans for a community nutrition initiative. Helped organize dietary information into clear reference materials.

SKILLS

Nutrition assessment basics
Meal planning and dietary guidance
Understanding of dietary guidelines
Client record keeping
Nutrition education support
Basic data collection and reporting
Communication with clients and care teams

ADDITIONAL INFORMATION
